Schedule of Prior Year Findings	

#### **Report of Independent Auditor**

To the Board of Directors CaringWorks, Inc. Decatur, Georgia

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of CaringWorks, Inc. (a nonprofit organization) (the "Organization"), which comprise the statements of financial position as of December 31, 2020 and 2019, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of December 31, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **OTHER MATTERS**

#### Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 15, 2021, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Atlanta, Georgia November 15, 2021

Cherry Bekaert LLP

#### NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

#### Note 1—Description of the Organization

CaringWorks, Inc. (the "Organization") was formed as a not-for-profit organization under the laws of the state of Georgia in March 2002. The Organization was formed to provide social and supportive programs incorporated with residential housing to promote and facilitate stabilization, self-sufficiency, and community building among the individuals and families served.

The Organization funds most of its programs and operations through federal and state grant funds, contributions and project/management income. Currently, approximately 93% of the Organization's funding comes from federal and state grants and contributions and private grants. The Organization's continued operations is dependent upon its continued receipt of this support.

#### Note 2—Summary of significant accounting policies

Basis of Accounting – The financial statements of the Organization have been prepared on the accrual basis of accounting and conform to accounting principles generally accepted in the United States of America ("U.S. GAAP"), as applicable to not-for-profit organizations.

*Net Assets* – These financial statements present net assets, revenue, and expenses based on existence of donor imposed restrictions. Accordingly, net assets and changes therein are classified as follows:

Net Assets Without Donor Restrictions – represent those resources that are not subject to donor-imposed restrictions. These net assets may be used at the discretion of the Organization's management and the board of directors.

Net assets With Donor Restrictions – represent those resources that are subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. The Organization had no net asset with donor restrictions as of December 31, 2020 and 2019.

When a donor restriction expires, that is, when a stipulated time restriction ends or the purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Expenses are reported as decreases in net assets without donor restrictions.

Cash and Cash Equivalents – The Organization considers all highly liquid investments with a maturity of three months or less at the time of purchase to be cash equivalents.

Contributions Revenue and Receivable — Contributions are recognized when cash, other assets or an unconditional promise to give is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return or right of release, are not recognized until the conditions on which they depend have been substantially met. Contributions of assets other than cash are recorded at their estimated fair value. Contributions and grants that are restricted by the donor or grantor are reported as increases in net assets without restrictions if the restrictions expire in the fiscal year in which the contributions are recognized.

#### NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

#### Note 2—Summary of significant accounting policies (continued)

Contributions, including unconditional promises to give, that are expected to be collected within one year are recognized as revenue in the period received and reported, at net realizable value. At December 31, 2020 and 2019, all contributions receivable were expected to be received within one year. An allowance for uncollectible pledges receivable is provided based upon management's judgment, including such factors as the age of the receivable, creditworthiness of parties, historical collection experience and type of contribution. At December 31, 2020 and 2019, management does not believe an allowance for doubtful contributions receivable is necessary.

Federal and State Grants Receivables – Federal and state grants receivables are reported net of allowance for doubtful accounts. The allowance is based on management's estimate of the amount of receivable that would be collected based on periodic review such factors as of age of federal and state grants receivable historical collection experience and subsequent collection activity. At December 31, 2020 and 2019, an allowance for doubtful accounts is not considered necessary since all federal and state grants receivables are considered collectible by management.

Accounts Receivable – Accounts receivables are reported net of an allowance for doubtful accounts. An allowance for uncollectible accounts receivable is provided based upon management's judgment, including such factors as the age of the receivable, creditworthiness of parties, historical collection experience and type of revenue. At December 31, 2020 and 2019, an allowance for doubtful accounts is not considered necessary since all receivables are considered collectible by management.

Revenue Recognition – The Organization recognizes revenue in accordance with Accounting Standards Codification ("ASC") 606, the core principle of which is that an organization should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled to receive in exchange for those goods and services. To achieve this core principle, five basic criteria must be met before revenue can be recognized: (1) identify the contract with a customer; (2) identify the performance obligations in the contract; (3) determine the transaction price; (4) allocate the transaction price to performance obligations in the contract; and (5) recognize revenue when or as the Organization satisfies a performance obligation.

The Organization accounts for revenue when both parties to the contract have approved the contract, the rights and obligations of the parties are identified, payment terms are identified, and collectability of consideration is probable. Payment terms and services offered vary by client.

The Organization has one primary sources of exchange revenue which is professional services recognized as contract income and management fees in the statements of activities. Professional services relating to therapy, health and wellness services, and for management services is recognized at a point in time. While the Organization believes the performance obligation is completed as the performance obligation is transferred to the customer, generally over time, these professional services are generally for short time periods. Based on this, the Organization determined that performance over time approximates point in time recognition. In certain instances, the Organization qualifies for the right-to-invoice practical expedient, which results in revenue recognition at the time the Organization has the right to invoice for the work performed.

Client Rental Fees – Client rental fees are recognized on a straight-line basis under which contractual rent increases are recognized equally over the lease term. Rental income recorded on the straight-line method in excess of the rents billed is recognized as other receivables.

*Deferred Revenue* – Deferred revenue represents income which have been received, but for which the prescribed services have not yet been performed as estimated by management. This revenue will be recognized as income when the related services are provided.

#### NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

#### Note 2—Summary of significant accounting policies (continued)

Property and Equipment – These assets are stated at cost at date of acquisition for assets purchased or fair value at date of donation in the case of gifts, less an allowance for accumulated depreciation. Acquisitions of property and equipment in excess of \$5,000 are capitalized. Expenditures for new construction, major renewals, and replacements are capitalized. Expenditures for maintenance, repairs and minor renewals, and replacements of minor non-depreciable equipment are charged to expense as incurred. Depreciation is provided primarily using the straight-line method over the estimated useful lives of the related assets, which is generally three to ten years.

Functional Allocation of Expenses – The costs of providing program and supporting services have been reported on a functional basis in the accompanying statements of activities and functional expenses. Accordingly, certain costs have been allocated among the program and supporting services benefited. Such allocations are determined by management on an equitable basis.

Certain costs within the following expense lines were allocated on the following basis

ExpenseMethod of AllocationSalaries and benefitsTime and effortOccupancySquare footageInsurance and taxesRatio of functional salari

Ratio of functional salaries expense as percentage of total

Income Tax Status – The Organization is exempt from income taxes pursuant to Section 501(a) as organizations defined in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended. Accordingly, no provision for federal income taxes has been made. The Organization has evaluated the effect of U.S. GAAP guidance on Accounting for Uncertainty in Income Taxes. Management believes that the Organization continues to satisfy the requirements of a tax-exempt organization and, therefore, had no uncertain income tax positions at December 31, 2020.

Concentrations of Credit Risk – Financial instruments that potentially expose the Organization to concentrations of credit risk consist primarily of cash and cash equivalents. The Organization places its cash and cash equivalents on deposit with financial institutions in the United States. The Federal Deposit Insurance Corporation covers \$250,000 for substantially all depository accounts. Cash balances may at times exceed federally insured limits. At December 31, 2020, balances in excess of federally insured limits were approximately \$567,000.

Use of Estimates – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect various amounts reported in the financial statements and accompanying notes. Accordingly, actual results could differ from those estimates.

Upcoming Accounting Pronouncements – In February 2016, Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2016-02, Leases, (Topic 842), increasing the transparency and comparability among organizations by recognizing lease assets and lease liabilities on the statements of financial position and disclosing key information about leasing arrangements. This standard is effective for the fiscal year ending June 30, 2023. FASB ASU 2016-02 is not expected to have a material impact on the Organization's financial statements.

#### NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

#### Note 2—Summary of significant accounting policies (continued)

In September 2020, FASB issued ASU 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*. The guidance in this ASU will require not-for-profit entities to present contributed nonfinancial assets as a separate line item in the statement of activities, apart from contributions of cash and other financial assets. In addition, for each category of contributed nonfinancial assets recognized, the following will have to be disclosed: (1) qualitative information about whether the contributed nonfinancial assets were either monetized or utilized during the reporting period. If utilized, an not-for-profit will disclose a description of the programs or other activities in which those assets were used; (2) the not-for-profit's policy (if any) about monetizing rather than utilizing contributed nonfinancial assets; (3) a description of any donor-imposed restrictions associated with the contributed nonfinancial assets; and (4) a description of the valuation techniques and inputs used to arrive at a fair value measure, in accordance with the requirements in Topic 820, *Fair Value Measurement*, at initial recognition. This standard is effective for the fiscal year ending June 30, 2022. Management is currently evaluating the impact of this standard on the Organization's financial statements.

#### Note 3—Liquidity and availability of resources

The table below represents financial assets available for general expenditures, which is, without donor or other restrictions limiting their use, within one year at December 31:

	 2020	 2019
Cash and cash equivalents	\$ 950,133	\$ 891,384
Federal and state grant receivables, net	1,200,048	1,084,339
Accounts receivable, net	17,634	21,897
Pledges receivable, net	16,250	2,205
Amounts due from affiliate	-	35,288
Financial assets	2,184,065	2,035,113
Less net assets unavailable to meet cash needs for		
general expenditures within one year:		
Subject to purposes and time restrictions	50,000	 <u> </u>
Financial assets not available to be used within one year	\$ 2,134,065	\$ 2,035,113

The Organization is substantially supported by contributions and grants. Because donor restrictions require resources to be used in a particular manner or in a future period, the Organization must maintain sufficient resources to meet those responsibilities to its donors.

As part of the Organization's liquidity management, it structures financial assets to be available for general expenditures, liabilities, and other obligations as they come due. In addition, to help manage unanticipated liquidity needs the Organization has a committed line of credit of \$300,000 which it can draw upon; see Note 5.

#### NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

#### Note 4—Property and equipment, net

Property and equipment, net is comprised of the following at December 31, 2020:

	 2020		2019
Computer equipment	\$ 57,910	\$	57,910
Vehicles	25,671		25,671
Furniture	 11,712		11,712
	95,293		95,293
Less accumulated depreciation	(75,184)	(	(70,050)
Property and equipment, net	\$ 20,109	\$	25,243

Depreciation expense for the years ended December 31, 2020 and 2019 was \$5,134 and \$428, respectively.

#### Note 5—Line of credit

During 2019, the Organization entered into an agreement with a bank for a secured line of credit in the amount of \$300,000. Pursuant to the terms of the agreement, interest shall accrue at the Prime Rate plus 0.840%. During the years ended December 31, 2020 and 2019, no draws were made on the line of credit. The line of credit matured on January 28, 2021. On February 4, 2021, the Organization entered into an agreement that extended its line of credit maturity date to February 3, 2022.

#### Note 6—Payment Protection Program deferred revenue

In accordance with Section 1102 of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"), signed March 27, 2020, the RCIE applied for and received a Paycheck Protection Program ("PPP") loan on April 30, 2020, totaling \$496,850. PPP loans are accounted and reported as conditional contributions under ASC 958-605, *Not-for-Profit Entities – Revenue Recognition*. The application for the PPP loan requires the Organization to, in good faith, certify that the current economic uncertainty made the loan request necessary to support the ongoing operation of the Organization. This certification further requires the Organization to take into account its current business activity and its ability to access other sources of liquidity sufficient to support the ongoing operations in a manner that is not significantly detrimental to the business. The receipt of the funds from the PPP loan and the forgiveness of the PPP loan is dependent on the Organization having initially qualified for the PPP loan and qualifying for the forgiveness of such PPP loan based on funds being used for certain expenditures such as payroll costs and rent, as required by the terms of the PPP loan. There is no assurance that the Organization's obligation under the PPP loan will be forgiven. If the PPP loan is not forgiven, the Organization will need to repay the PPP loan over the applicable repayment period, commencing after the applicable deferral period. Therefore, management has recorded the receipt of funds of \$496,850 as PPP deferred revenue in the statement of financial position as of December 31, 2020.

On April 29, 2021, the Organization received confirmation that the loan balance, including both principal and accrued interest, had been forgiven in the amount of \$496,850.

#### NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

#### Note 7—Net assets with donor restrictions

Net assets with donor restrictions at December 31 consisted of the following:

	 2020	2019
Subject to expenditure for specified purpose:		
Community resilience training	\$ 50,000	<u>-</u>

Net assets were released during the year from donor restrictions by incurring expenses satisfying the restricted purpose or by occurrence of other events specified by donors as follows for the years ended December 31:

	2020	2019
Satisfaction of purpose restrictions:	_	
Federal and state grants	\$ 8,580,935	\$ 7,755,346
Grants to green initiative	-	64,473
Community family housing	-	43,543
Emergency food and shelter services	-	25,067
ASPIRE program	-	20,000
Health education sessions, health screenings and medication	-	13,625
Capital projects	_	8,510
Total net assets released for satisfaction of purpose restrictions	\$ 8,580,935	\$ 7,930,564

#### Note 8—Commitments and contingencies

Operating Leases – The Organization has two leases for office space in Decatur, Georgia and Conyers, Georgia, expiring in August 2026 and November 2021, respectively, as well as one operating equipment lease expiring in 2024. Rent expense was \$133,725 and \$121,378 for the years ended December 31, 2020 and 2019, respectively.

Future minimum lease payments required under these leases at December 31, 2020 are as follows:

2021	\$ 137,599
2022	108,132
2023	110,860
2024	97,997
2025	99,468
2026	 67,624
	\$ 621,680

#### NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

#### Note 9—Related party

Progressive Hope House Inc. ("PHHI") is a substance abuse residential rehab facility in Atlanta, Georgia that provides treatment to men with drug addiction and other substance abuse problems. PHHI is affiliated with the Organization through management and board oversight.

The Organization utilizes the residential and treatment services provided by PHHI to fulfill some of its programmatic requirements. Total amounts paid to PHHI for these services were \$265,657 and \$362,872 for the years ended December 31, 2020 and 2019, respectively. Total amounts due to PHHI at December 31, 2020 and 2019 were \$21,315 and \$118,783, respectively.

PHHI reimburses the Organization for certain payroll and benefits costs and certain other costs on behalf of the PHHI. The amounts paid by the Organization on PHHI's behalf during the years ended December 31, 2020 and 2019 were \$65,918 and \$51,045, respectively. There were no reimbursements due from PHHI to the Organization related to these costs at December 31, 2020. Total reimbursements outstanding from PHHI at December 31, 2019 were \$25,771.

The Organization also has an agreement with PHHI to perform monthly property management services related to its sole facility. Total management fees received by the Organization from PHHI during the years ended December 31, 2020 and 2019 were \$13,440 and \$10,440, respectively. Total management fees due from PHHI at December 31, 2020 and 2019 were \$-0- and \$1,740, respectively.

During the year ended December 31, 2020, the Organization received \$18,853 in contributions for capital improvements. These funds were used to make a contribution to PHHI for facility improvements and is reported in other expenses in the statement of activities.

At December 31, 2019, PHHI had other amounts due to the Organization of \$7,777 related to miscellaneous charges paid by the Organization on PHHI's behalf.

#### Note 10—Contingencies and uncertainties

On January 30, 2020, the World Health Organization declared the coronavirus ("COVID-19") outbreak a "Public Health Emergency of International Concern" and on March 11, 2020, declared it to be a pandemic. Actions taken around the world to help mitigate the spread of COVID-19 include restrictions on travel, quarantines, or stay-at-home restrictions in certain areas and forced closures for certain types of public places and businesses. COVID-19 and actions taken to mitigate it have had and are expected to continue to have an adverse impact on the economies and financial markets globally, including the geographical areas in which the Organization operates.

The Organization assessed the impacts of COVID-19 on its various accounting estimates and significant judgments, including those that require consideration of forecasted financial information in the context of the unknown future impacts of COVID-19, using information that is reasonably available at this time. The accounting estimates and other matters assessed included but were not limited to the recoverability of long-lived assets recorded at cost and the useful lives associated with deferred costs. Based on the Organization's current assessment of these estimates, there was not a material impact to the financial statements as of and for the year ended December 31, 2020.

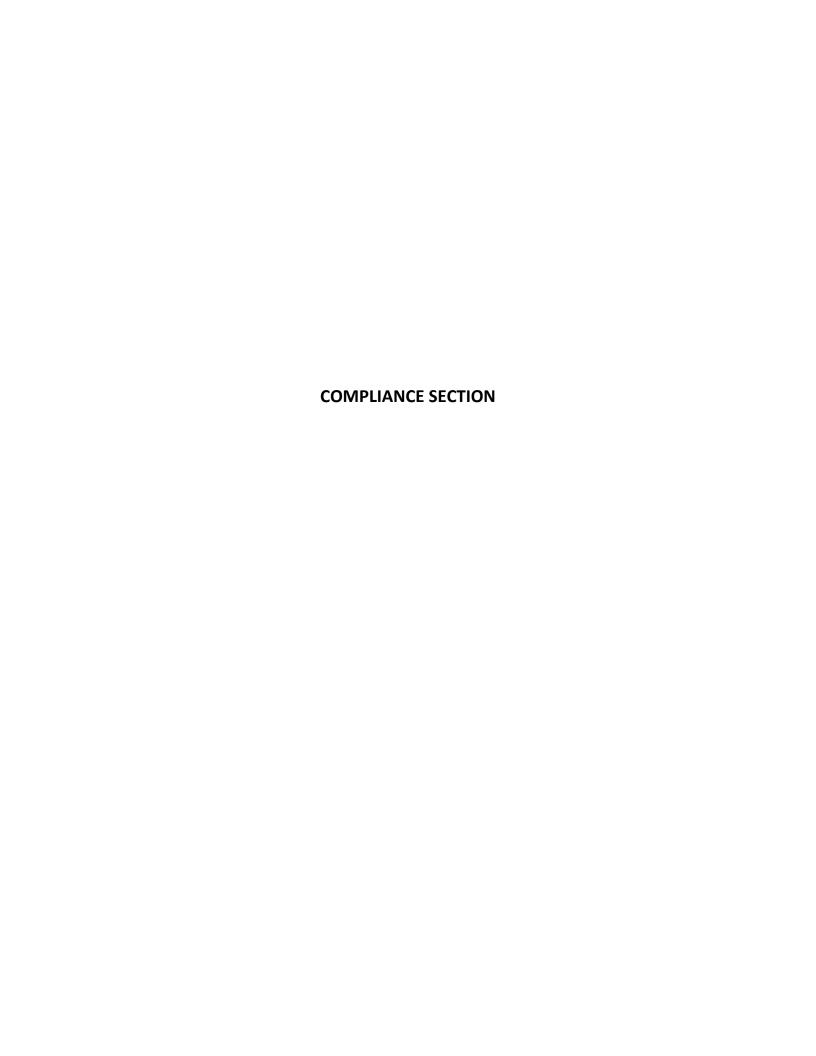

While it is unknown how long these conditions will last and what the complete financial impact will be, the Organization is closely monitoring the impact of the COVID-19 pandemic on all aspects of the business/operations and are unable at this time to predict the continued impact that COVID-19 will have on their business, financial position, and operating results in future periods due to numerous uncertainties.

#### NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

#### Note 11—Subsequent events

The Organization's management evaluated subsequent events through November 15, 2021, the date the financial statements were available for issuance, and has determined that there are no subsequent events requiring disclosure, except for the line of credit extension discussed in Note 5 and the forgiveness of the PPP loan discussed in Note 6.

# Report of Independent Auditor on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

To the Board of Directors CaringWorks, Inc. Decatur, Georgia

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of CaringWorks, Inc. (the "Organization") which comprise the statements of financial position as of December 31, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 15, 2021.

#### **Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify certain deficiencies described in the accompanying schedule of findings and questioned costs as items 2020-001 and 2020-002 that we consider to be significant deficiencies.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

Cherry Bekaert LAP

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Atlanta, Georgia November 15, 2021

# Report of Independent Auditor on Compliance for Each Major Program and on Internal Control over Compliance Required by the Uniform Guidance

To the Board of Directors CaringWorks, Inc. Decatur, Georgia

#### Report on Compliance for Each Major Federal Program

We have audited CaringWorks, Inc.'s (the "Organization") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended December 31, 2020. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

#### Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and terms and conditions of its federal awards applicable to its federal programs.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 *U.S Code of Federal Regulations* Part 200 *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance with each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

#### **Opinion on Each Major Federal Program**

In our opinion, the Organization complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2020.

#### **Other Matters**

The results of our auditing procedures disclosed instances of noncompliance which are required to be reported in accordance with the Uniform Guidance and which are described in the accompanying schedule of findings and questioned costs as item 2020-003. Our opinion on each major federal program is not modified with respect to these matters.

The Organization's response to the noncompliance finding identified in our audit is described in the accompanying schedule of findings and questioned costs. The Organization's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

#### **Report on Internal Control over Compliance**

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirements of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a compliance requirement will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit the attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Atlanta, Georgia November 15, 2021

Cherry Bekaert LLP

#### NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

YEAR ENDED DECEMBER 31, 2020

#### Note 1—Basis of presentation

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of CaringWorks, Inc. (the "Organization"). The information in the Schedule is presented in accordance with the requirements and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards ("Uniform Guidance"). Therefore, certain amounts presented in the Schedule may differ from amounts presented in or used in the presentation of the Organization's financial statements.

#### Note 2—Summary of significant accounting policies

Basis of Accounting – Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance; wherein certain types of expenditures are not allowable.

Indirect Cost Rate – The Organization has not elected to use the 10% de minis indirect cost rate as allowed under the Uniform Guidance.

Cost Principles – The cost principles applicable to the expenditures on the Schedule include OMB Circular A-122, Cost Principles for Non-Profit Organizations, for grant awards made before December 26, 2014, or Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, for grant awards made after December 26, 2014. These principles identify certain types of expenditures that are not allowable or are limited as to reimbursement.

Awards Passed Through to Subrecipients – There were no awards passed through to subrecipients by the Organization for the year ended December 31, 2020.

Noncash Awards – The Organization did not receive noncash federal awards during the year ended December 31, 2020.

#### Note 3—Assistance Listing numbers

All programs included in the Schedule are presented by Federal agency and major subdivision within the Federal agency. Pass-through awards have been presented as pass-through entity and Federal identification number or pass-through entity identification number, when available.

#### **Note 4—Contingencies**

Federal and state programs are subject to financial and compliance audits by grantor agencies which, if instances of material noncompliance are found, may result in disallowed expenditures and affect the Organization's continued participation in specific programs. The amount, if any, of expenditures which may be disallowed by the grantor agencies cannot be determined at this time, although the Organization expects such amounts, if any, to be immaterial.

#### SCHEDULE OF FINDINGS AND QUESTIONED COSTS (CONTINUED)

YEAR ENDED DECEMBER 31, 2020

#### **Section II: Financial Statement Findings**

#### Finding 2020-001 - Year-End Closing Process

**Condition:** The year-end closing process for the year ended December 31, 2020 extended over a prolonged period. The results were delays in producing supporting schedules, account analysis, and other financial information needed by the auditors.

**Criteria:** A well designed and operating accounting process ensures transactions are recorded timely and properly; resulting in financial information, and data that is easily accessible and available.

**Cause:** Certain year end closing processes were not completed prior to the commencement of the audit and supporting documentation was not always maintained or easily accessible.

Effect: Errors could be made and not detected on a timely basis.

**Recommendation:** We believe that the year-end closing could proceed more quickly and efficiently if a year-end closing schedule is developed that indicates who will perform each procedure and when completion of each procedure is due and accomplished. The timing of specific procedures could be coordinated with the timing of management's or the auditor's need for the information. This would also allow for monitoring of due dates to ensure all deadlines are met.

Management Response: The Organization concurs with this finding.

**Corrective Action Plan:** See attached management's corrective action plan.

# Finding 2020-002 – Documentation of Significant Accounting and Grant Management Policies and Procedures

**Condition:** The Organization has certain accounting and grant management policies and procedures that are either outdated or not documented.

**Criteria:** A well devised and documented accounting policies and procedures helps to ensure all transactions are treated consistently, that accounting principles used are proper, and that records are produced in the form desired by management. The Organization is also required to document its internal controls related to compliance with the Uniform Guidance.

**Cause:** The Organization has limited resources and has not yet inventoried all policies to determine which ones require updating.

**Effect:** Errors could be made and not detected, there could be duplicated or omitted procedures, and other situations that can result in inaccurate or untimely recording of accounting and other transactions. The Organization may not be in compliance with the requirements of the Uniform Guidance.

#### SCHEDULE OF FINDINGS AND QUESTIONED COSTS (CONTINUED)

YEAR ENDED DECEMBER 31, 2020

#### Section II: Financial Statement Findings (continued)

**Recommendation:** We recommend the Organization establish a plan to inventory, review, and update its general and federal grant accounting policies and procedures over a period of time; assigning priority to the most significant processes. The benefits will be:

- Establishment of consistent practices;
- Improve accounting and bookkeeping responsibilities;
- Reduce the likelihood of errors and assist in the preparation of timely and accurate monthly financial statements:
- Aid in review by management for adherence to the Organization's policies;
- Aid in the training of new personnel;
- Provide the Organization with a source of information when there is personnel transition; and
- Aid in the documentation of its compliance with Uniform Guidance requirements.

Management Response: The Organization concurs with this finding.

Corrective Action Plan: See attached management's corrective action plan.

#### SCHEDULE OF FINDINGS AND QUESTIONED COSTS (CONTINUED)

YEAR ENDED DECEMBER 31, 2020

**Section III: Federal Awards Findings and Questioned Costs** 

Finding 2020-003 - Lack of evidence of rent reasonableness tests

Federal Agency: U.S. Department of Housing and Urban Development

Federal Program: Continuum of Care Program

AL: # 14.267

Compliance Requirement: Special Tests and Provisions – Reasonable Rental Rates

**Condition:** The Organization did not maintain documentation to evidence the rent reasonableness tests it performed or produce evidence of a waiver of these requirements from the granting agency.

**Criteria:** File documentation relating to rent reasonableness test was not maintained for certain participants selected for testing.

**Cause:** Adequate controls were not in place to ensure file documentation was complete. In addition, Management's understanding was that this requirement was waived for certain properties; however, there was no documentation maintained evidencing this communication from the granting agency.

**Context:** Out of a population of approximately 400 to 590 monthly program rent transactions a sample of 25 transactions was selected for testing. The Organization did not have supporting documentation for 9 of the 25 transactions that were selected for testing. In addition, 5 of the 16 that did have supporting documentation there was no evidence of review by the Program Director of the rent reasonableness documentation.

Effect: File documentation supporting rent reasonableness was not complete.

**Questioned cost:** None

**Recommendation:** The Organization should review and document its system of internal control which provides for reasonable assurance that required documentation to support compliance requirements under the grant agreement is maintained. Any waiver of those requirements should be received in writing and maintained.

Management Response: The Organization concurs with this finding.

**Corrective Action Plan:** See attached management's corrective action plan.

#### SCHEDULE OF PRIOR YEAR FINDINGS

YEAR ENDED DECEMBER 31, 2020

#### **Section IV: Prior Year Findings**

#### Finding 2019-001 Monthly and Year-End Closing Process

**Statement of Condition:** The year-end closing process for the year ended December 31, 2019 extended over a prolonged period because important routine monthly/quarterly accounting procedures were not performed during the fiscal year. The results were delays in producing closing entries, trial balances, schedules, reconciliations, account analysis, the schedule of expenditures of federal awards and other financial reports needed by management and the auditors.

**Recommendation:** We recommend that reconciliations between the general ledger and subsidiary ledgers/accounting records be performed regularly; either monthly or quarterly depending on the nature of the account. Reconciling items identified should also be investigated timely and adjustments recorded to properly state balances in the general ledger. Evidence of performance and review of these monthly reconciliations should also be maintained.

In addition, we believe that the year-end closing could proceed more quickly and efficiently if a year-end closing schedule is developed that indicates who will perform each procedure and when completion of each procedure is due and accomplished. The timing of specific procedures could be coordinated with the timing of management's or the auditor's need for the information. This would also allow for monitoring of due dates to ensure all deadlines are met.

Current Status: Finding has been partially addressed.

# Finding 2019-002 - Documentation of Significant Accounting and Grant Management Policies and Procedures

**Statement of Condition:** The Organization has certain accounting and grant management policies and procedures that are either outdated or not documented.

**Recommendation:** We recommend the Organization establish a plan to inventory, review, and update its general and federal grant accounting policies and procedures over a period of time; assigning priority to the most significant processes. The benefits will be:

- Establishment of consistent practices;
- Improve accounting and bookkeeping responsibilities;
- Reduce the likelihood of errors and assist in the preparation of timely and accurate monthly financial statements:
- Aid in review by management for adherence to the Organization's policies;
- Aid in the training of new personnel;
- Provide the Organization with a source of information when there is personnel transition; and
- Aid in the documentation of its compliance with Uniform Guidance requirements.

**Current Status:** Finding is repeated in the 2020 audit as Finding 2020-002.

#### SCHEDULE OF PRIOR YEAR FINDINGS (CONTINUED)

YEAR ENDED DECEMBER 31, 2020

Section IV: Prior Year Findings (continued)

Finding 2019-003 - Lack of Supporting Documentation for Certain Costs (AL# 14.267)

**Compliance Requirement: Period of Availability** 

**Statement of Condition:** The Organization was unable to provide supporting documentation of costs and allocations of costs charged to the grant that agreed to grant expenditures selected for testing from the general ledger.

**Recommendation:** The Organization should review and document its process and methodology for ensuring that all allocated cost are equitably allocated between programs. In addition, documentation should be maintained to support any allocations of costs and costs charged to the grant.

Current Status: Finding has been resolved.

Finding 2019-004 – Lack of Evidence of Management Review of Certain Costs (AL# 14.267)

Compliance Requirement: Period of Availability - Internal Control

**Statement of Condition:** There were 5 instances where the Organization could not provide documentation to evidence management review and approval of allocations of payroll and benefit costs charged to the grant. There was one instance where the Organization could not provide documentation to evidence management review and approval of a credit card transaction charged to the grant.

**Recommendation:** The Organization should review its allocation methodology for cost charged to federal grants and include the requirement that an independent review by management should be performed and documented. Evidence of this management review should also be maintained.

Current Status: Finding has been resolved.

Finding 2019-005 - Lack of evidence of rent reasonableness tests

Compliance Requirement: Special Tests and Provisions - Reasonable Rental Rates (AL# 14.267)

**Statement of Condition:** The Organization did not maintain documentation to evidence the rent reasonableness tests it performed or produce evidence of a waiver of these requirements from the granting agency.

**Recommendation:** The Organization should review and document its system of internal control which provides for reasonable assurance that required documentation to support compliance requirements under the grant agreement is maintained. Any waiver of those requirements should be received in writing and maintained.

Current Status: Finding is repeated in the 2020 audit as Finding 2020-003.
