and older

*"My past failures  
have become my  
motivation. I can't  
stop now. And none  
of this would have  
been possible without  
CaringWorks."*

—Demetres

\*Of our Behavioral Health clients, 23 were also served in CaringWorks' housing programs.

\*\*Through our Deaf Bridges to Recovery (DBR) program, we provide residential treatment and recovery services at Hope House for homeless men who are deaf, hard of hearing, deaf-blind, deaf-plus or late-deafened.

†Defined by people remaining stably housed in permanent supportive housing units after a year.

‡Of 342 clients assessed.

§All clients accepted into our permanent supportive housing (PSH) programs have experienced chronic homelessness and have at least one disabling condition.

**MISSION:** To reduce homelessness and empower the marginalized by providing access to housing and services that foster dignity, self-sufficiency, and wellbeing.

By keeping our overhead costs low, every donation makes a significant impact.

*"Our home is filled with love and laughter, and I have the confidence and resources to keep building the life we deserve."*

—Amber
