“They give you a chance to be more responsible, paying for things on your own, getting back on track.”

—Roxsand B., CaringWorks client and single mom who, at 37 years old, earned her high school diploma with honors

MISSION: To reduce homelessness and empower the marginalized by providing access to housing and services that foster dignity, self-sufficiency, and wellbeing.

Erica Wallace, MSW
Program Director

“You get clients who go out there and they get a job, or they get their savings account or reach other goals. It really is a rewarding feeling.

They sometimes say, ‘I couldn’t have done it without you.’ But I take no credit, I’m just giving them the nudge in the right direction.”

97%

OF CLIENTS REPORTED THAT OUR SERVICES HELPED THEM BETTER MANAGE THEIR CHALLENGES

72%

HARD OF HEARING*

**Through our Deaf Bridges to Recovery (DBR) program, we provide residential treatment and recovery services at Hope House for homeless men who are deaf, hard of hearing, deaf-blind, deaf-plus or late-deafened.*

SUPPORTERS

We extend our deepest gratitude to the members of our donors at \$1,000 and above whose commitment and compassion are bringing the CaringWorks vision to life. The partnership of these donors strengthens the journey for countless individuals and reinforces our unwavering commitment to ending chronic homelessness. Your support is the foundation of every success story shared in this report.

PARTNERS

CaringWorks partners with a network of organizations that help connect clients to care and support them along the way. These partners play a critical role in ensuring people can access the services they need and move toward stability. Some of our key partners include:

OFFICE OF THE
PUBLIC DEFENDER

Imagine Hope

Delivered Through Partnership

Access to the right support is key to building independence. Through our partnerships, we are helping clients achieve long-term self-sufficiency. Support and services may include:

- ▶ Access to Mainstream Benefits
- ▶ Childcare
- ▶ Credit Counseling
- ▶ Job Preparation, Search, and Placement
- ▶ Legal Assistance
- ▶ Medical Care
- ▶ Mental Healthcare
- ▶ Procurement of Identification/Documents
- ▶ Reunification with Family
- ▶ Substance Abuse Treatment
- ▶ Transportation
- ▶ Vocational Rehabilitation
- ▶ Volunteer Opportunities/Community Engagement

CELEBRATING 20 YEARS OF HOPE

Last year, CaringWorks partners, supporters, clients, alumni, friends, and staff gathered for an event to celebrate Hope House's 20th anniversary, which was a powerful way to commemorate what has become a trusted refuge and life-changing stepping stone for so many in our community. Since its inception in 2005, Hope House has given thousands of men another chance at hope; it's a place for them to heal, and to gain the support and tools that empower them to thrive, despite their challenges.

Championing Hope & Recovery in the Deaf Community

At Hope House, Care Coordinator Eric Smart used his own experience as a Deaf individual navigating recovery to support Brandon Cobb's journey through the Deaf Bridges to Recovery program. Today, Brandon is also part of the CaringWorks team, helping others do the same.

“My most rewarding moments are when I advocate for my Deaf peers – when I see hope in their eyes, when they start using affirmations, and when they finally open up about things they’ve carried inside for too long.”

-Eric

“Hope House is more than just a building or a program. It is a vital solution to ending homelessness, and it proves that when we invest in people—especially those often overlooked—we don’t just transform individual lives; we build stronger, healthier communities.”

THE ALL STAR JAM HIT ALL THE RIGHT NOTES

The 3rd Annual All-Star Jam to End Homelessness in November brought together supporters for an evening of music, community, and shared purpose. Thanks to the generosity of many friends and sponsors, the event helped raise critical funds for housing, recovery, and the services that support long-term progress.
